

CITY OF HAYWARD

AGENDA REPORT

AGENDA DATE 12/02/03

AGENDA ITEM 4

WORK SESSION ITEM _____

TO: Mayor and City Council

FROM: Chief of Police

SUBJECT: Revision of the Fine and Bail Schedule for Parking Violations

RECOMMENDATION:

It is recommended that the City Council adopt the attached resolution approving a new Fine and Bail Schedule for Parking Violations.

BACKGROUND:

The existing Fine and Bail Schedule for Parking Violations was last amended on May 25, 1993. An October 31, 2003 survey of Alameda County agencies¹ revealed Hayward as having the lowest parking fines in the County. In total, Hayward's fines averaged more than 18% below survey averages. Approval of the recommended increases will raise each fine to a level equal to the survey average. Enforcement using the proposed new schedule can begin on January 1, 2004, with minimal training, using existing citation forms.

Two new fines are also being added to this proposed schedule:

1. C.V.C. 22500.1 - Parked in a Fire Lane - this is the California Vehicle Code equivalent of Uniform Fire Code 9.01.4 and set at the same level, \$211.
2. C.V.C. 40226 - Dismissal of Handicap Parking Violation - this section allows the City to collect a \$25 fee for processing the dismissal of a handicap parking violation when the individual issued the citation can prove that he or she had a valid placard not properly displayed at the time of the citation.

FISCAL IMPACT:

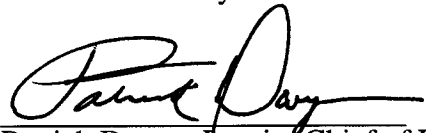

The recommended increases, if approved, will generate an additional \$185, 398 in General Fund revenues.

¹ Surveyed agencies: Cities of Alameda, Albany, Berkeley, Dublin, Fremont, Livermore, Newark, Oakland, Pleasanton, San Leandro and Union City, County of Alameda, Alameda County Superior Courts.
